[Special to The Times-Dispatch.] CHATHAM, VA., May 16.—The Young Ladies' C. O. D. Club was very delightfully entertained at the home of Mrs. William G. Miner by Miss Edna Hunt on Wednesday afternoon. Having disposed of the regular business of the club, delicious refreshments were served. During the meeting Miss Hunt announced the marriage of Miss Henrietta Reynolds Watkins (one of the club's members) to Professor Charles R. Warren, the nuptials to be celebrated on the 18th of June. Miss Sarah Starbuck Jones, also member of the club, will be united in marriage to Mr. Leon Jones, of Portsmouth, on June 10th.

The regular May term of Pittsylvania County Circuit Court will convene on Monday. The most important cases to be tried at the May term are William McLaughlin, for murder; Nat Hairston, for murdering Jesse Hairston; W. C. Barber, for shooting a man by the name of Hancock. The two first cases are colored. The killing of Hancock by Barber occurred early in last November, when Barber has been out on bail. Barber claims that the shooting was in self-defense. The most important suit for trial is that of J. C. Roach against the Southern Railway Company for \$10,000 for injuries sustained by being struck by a mail bag thrown from a rapidly moving train. Roach was employed as operator at Whittles, four miles north of this place, when hurt.

On Monday a temperance rally will be held here, to be addressed by Dr. Bennett, ex-president of the State Anti-Saloon League.

Several farmers residing in the neighborhood of Vance, in the western part of Pittsylvania, have recently received "Night Riders" notices that the 1908 crop of tobacco would be burned unless pooled. The notices were mailed, and the recipients are inclined to treat them with little consideration, believing that the law-abiding citizens of that section will not stand for such threats. AN EVENING OF "42"

Pleasant Meeting of the Club With Miss Miller—Saltville News.

[Special to The Times-Dispatch.] SALTVILLE, VA., May 16.—One of the social events of the week was the meeting of the "42" Club at the beautiful country home of Miss Olive Miller, who resides about four miles from Saltville. The members of the club arrived at Miss Miller's at 9 o'clock on Friday evening, which had been so thoughtfully provided by the young hostess. The house was beautifully and appropriately decorated for the occasion in white and green. Two delightful hours were spent in playing "42", and then the hostess served a delicious supper. Miss Lucy Clay-clay, the music instructor at the Saltville graded school, delighted the guests with several instrumental selections.

Mr. James Gemmill, who has been timekeeper at the quarry of the M. A. Works for several years, has resigned his position, and Mr. George F. Atkins, his successor, has been appointed as of the 15th instant.

RESTFUL SLEEP RESTORED

MRS. P. R. SOUTHARD.

Mrs. P. R. Southard, of Wadmore, L. I., who was a nervous wreck, and could neither eat nor sleep, was completely restored to health by Duffy's Pure Malt Whiskey.

In a recent interview Mrs. Southard said: "I can certainly say your tonic, Duffy's Pure Malt Whiskey, has been a great benefit to me. I was weak, nervous, could not sleep and was troubled with loss of appetite."

Duffy's Pure Malt Whiskey was recommended to me by friends. I took it, and the result is that I am stronger and better in every way, can sleep and my appetite is much improved.

"I write you this, as I thought it was my duty to let you know what your great medicinal Malt Whiskey has done for me."

Thousands of cases like that of Mrs. Southard have been cured during the past fifty years, since Duffy's Pure Malt Whiskey was discovered.

Duffy's Pure Malt Whiskey

is an absolutely pure distillation of malted grain; great care being used to have every kernel thoroughly malted, thus destroying the germ and producing a predigested liquid food in the form of a malt essence, which is the most effective tonic-stimulant and invigorator known to science; softened by warmth and moisture, its palatability and freedom from injurious substances render it so that it can be retained by the most sensitive stomach.

It cures nervousness, typhoid, malaria, every form of stomach trouble, diseases of the throat and lungs, and all rundown and weakened conditions of the body, brain and nerves. It is prescribed by doctors, and is recognized as the world's greatest family medicine everywhere.

CAUTION.—When you ask your druggist, grocer or dealer for Duffy's Pure Malt Whiskey, be sure you get the genuine. It's the only absolutely pure medicinal malt whiskey, and is sold in sealed bottles only—never in bulk. Price, \$1.00. Look for the trade-mark, the "Old Chemist," on the label, make sure the seal over the cork is unbroken. Write Dr. H. C. Curran, Consulting Physician, for an illustrated medical booklet and free advice. Duffy Malt Whiskey Co., Rochester, N. Y.
